The time is **now**
to replace your
Aprilaire Water Panel!

Call today!

Our records indicate it's time to replace the water panel in your Aprilaire Automatic Humidifier.

It is important to replace your water panel once a year. A properly maintained humidifier will continue to provide you:

- **Proper humidity levels throughout your whole home**
- **Improved comfort and energy savings**
- **Protection against illness and damage**
- **The best performance at all times**

Don't be fooled by imitations.
Look for the Use Genuine™
Aprilaire seal to ensure
peak performance.
