

“Household Journey” Radio National Spot :25  
Music – Soft undertone  
Female announcer:

**The Environmental Protection Agency has stated that the air in *your* home can be more polluted than the air outside. Portable room purifiers just can't protect your family in every room. Aprilaire *whole-home* air cleaners are simply the most effective, efficient, and convenient way to a cleaner, healthier home. Get control over the air you breathe today. Aprilaire. Fresh Ideas For Indoor Air.**
