

MALE

ANNOUNCER: *(a little over the top and dramatic with a titch of snark)*  
Problem: It's damp and uncomfortably humid in your house. And, do I see mold? NOT healthy. Think you can have a comfortable, healthy home with a portable dehumidifier? You think wrong, my friend. Because that only solves the problems in ONE ROOM.

MUSIC: Soothing, new-age

ANNOUNCER: With an Aprilaire dehumidifier, you'll remove nasty humidity from *every* room of your home. Your heating and cooling specialist installs it. And ahhhh...it's comfortable, healthier. Enjoy *whole-home* air quality solutions, only with Aprilaire.
